1. Preliminary Statements

Applicants submit herewith patents, publications or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made, an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

2. Identification Of Prior Application In Which Listed Information Was Already Cited and For Which No Copies Are Submitted Or Need Be Submitted.

This application relies, under 35 U.S.C. 120, on the earlier filing date of prior application 10/260,211 filed on 09/26/2002. The following references were submitted to and/or cited by the Office in this prior application and, therefore, according to 37 CFR §1.98(d), copies are not required to be provided in this application: AA-AS, and AX-BD.

3. Identification of Information Items Accompanying This Statement.

Items AT-AW listed on the attached Form 1449 are U. S. Patents or published applications. This application was filed after June 30, 2003. Therefore, copies of these references are not required.

4. Identification of Person Making this INFORMATION DISCLOSURE STATEMENT
